

Environmental Loans E-Bulletin

MARCH 2013

VOLUME 2 ISSUE 3

Samantha Scully-Jordt is the newest DNR project manager in the Environmental Loans Section

The Environmental Loans E-Bulletin is written by staff in the WI DNR Environmental Loans Section to provide up-to-date information on both the Clean Water Fund Program (CWFP) and the Safe Drinking Water Loan Program (SDWLP). These E-Bulletins are sent periodically to alert you to upcoming deadlines, highlight program changes and provide assistance on topics that need clarification.

In this E-Bulletin:

- ***SB 10 on to Governor for his signature – page 1***
- ***Upcoming Dates and Deadlines – page 1***

SB 10 Ready for Governor's Signature

The legislation enabling the WDNR to award Principal Forgiveness funds for SFY 13 has been passed by both the Senate and the Assembly and is anticipated to be signed into law by the Governor shortly. The deadline for closing Safe Drinking Water Loan Projects is June 30th, so the timing of this bill was critical for the many municipalities awaiting principal forgiveness funding. The bill passed both houses with bi-partisan support, and also includes the ability for the DNR to conduct pilot projects for the Clean Water Fund Program. More information on pilot projects will be forthcoming this summer.
